www.scoliosisjournal.com

grivastb@vodafone.net.gr

Editor-in-Chief: Theodoros B Grivas (Greece)

Scoliosis, the official journal of the Society on Scoliosis Orthopaedic and Rehabilitation Treatment (SOSORT), is an open access, peer-reviewed online journal that encompasses all aspects of research on prevention, control, conservative and surgical treatment of scoliosis and other spinal deformities.

Scoliosis is covered by PubMed, PubMed Central, Scopus and Google Scholar.

BMC Medicine

www.biomedcentral.com/bmcmed

bmcmedicineeditorial@biomedcentral.com

Impact Factor: 5.75

BMC Medicine - the flagship medical journal of the *BMC* series - publishes original research articles, commentaries and reviews in all areas of medical science and clinical practice. Other article types may be considered at the Editor's discretion.

BMC Medicine is covered by PubMed, MEDLINE, BIOSIS, CAS, Scopus, EMBASE, Thomson Reuters (ISI), Current Contents and Google Scholar.

JOURNAL OF MEDICAL CASE REPORTS

www.jmedicalcasereports.com

jmcreditorial@biomedcentral.com

Editor-in-Chief: Michael Kidd (Australia)

Journal of Medical Case Reports (JMCR) is an open access, peer-reviewed online journal that will consider any original case report that expands the field of general medical knowledge. *JMCR* will consider research articles related to case reporting.

JMCR is covered by PubMed, PubMed Central, Cinahl, Scopus and Google Scholar.

BMC Research Notes

www.biomedcentral.com/bmcresearchnotes

editorial@biomedcentral.com

BMC Research Notes is an open access journal publishing scientifically sound research across all fields of biology and medicine, enabling authors to publish data sets, small-scale clinical studies, reports of confirmatory or negative results, updates to previous research, methodology, software tools and databases, short correspondence items and hypotheses.

BMC Research Notes is covered by PubMed, Scopus and Google Scholar

THE BENEFITS OF PUBLISHING IN BIOMED CENTRAL'S JOURNALS:

OPEN ACCESS

Access to the research published in our journals is free (not only on the journal's website but also via PubMed Central, the National Institutes of Health's electronic archive of full text articles, UK PubMed Central and other national archives), which means anyone with Internet access can read your research.

HIGH VISIBILITY

Research articles are freely available to the entire global scientific and medical communities. Average full-text downloads are 250 per article per month.

INCLUDED IN PUBMED

All research articles published in BioMed Central's journals are included in PubMed, so your work can be found and cited by researchers and clinicians around the world.

YOU RETAIN COPYRIGHT

This means you can freely post your article on your personal or institutional homepage and e-mail it to friends and colleagues.

PUBLISHED QUICKLY

Online submission and peer review makes the whole process of publishing your research simple and efficient. Articles are published rapidly upon acceptance.

NO SPACE CONSTRAINTS

Publishing online means unlimited space for figures, extensive data and video footage.

GET YOUR ARTICLE PROMOTED

When appropriate, articles are promoted by e-mailing selected groups of researchers working in the same field or by informing the general and/or scientific press.
