Title: Development of a Taxonomy to Describe Massage Treatments for Musculoskeletal Pain

Authors:

Karen J. Sherman (sherman.k@ghc.org)
Marian W. Dixon (roysroom@bestweb.net)
Diana Thompson (soapsage@comcast.net)
Daniel C. Cherkin (cherkin.d@ghc.org)

Version: 2 Date: 21 June 2006

Editor's comment:

One of the reviewers, Harald Walach, has reservations about the approach taken by the authors in this article. Despite disagreement between the authors and this referee, we have decided to accept the work for publication. Dr. Walach's concerns are highlighted in the referee's reports - we encourage readers to consider the points raised in the reports when reading this article.
