

Reviewer's report

Title: Determinants of tobacco counseling among Hispanic physicians in the US: a cross-sectional survey study

Version: 2 Date: 21 October 2007

Reviewer: Peter Leggat

Reviewer's report:

General

The revised paper reads well.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Nil

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

The study is only in New Mexico. The title suggests it is a US wide study.

As mentioned in the previous review, the year of the study should be included in the abstract.

Discretionary Revisions (which the author can choose to ignore)

N/A

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
