Dear Dr. Austin:  

Please find attached the final revision to the manuscript entitled “Increased Cholinergic Contractions of Jejunal Smooth Muscle Caused by a High Cholesterol Diet are Prevented by the 5-HT4 Agonist - Tegaserod” by Ronald Mathison and Eldon Shaffer.  

I have made minor typographical corrections, and incorporated the formatting changes requested in your eMail of February 8, 2006 entitled “Formatting Changes for MS: [5876250097629745]”.  

Sincerely,  

Ronald Mathison (PhD)
