

## **Author's response to reviews**

**Title:** Reversibility of stress-induced ST-segment depression by long-term oral n-3 PUFA supplementation in subjects with chest pain syndrome, normal stress-echo and normal coronary angiogram.

### **Authors:**

Dr Nicola Gaibazzi ([nicola.gaibazzi@inwind.it](mailto:nicola.gaibazzi@inwind.it))

**Version: 2 Date:** 7 Nov 2003

When I checked the pdf version I realized that although in the web-based author list the corresponding author was correctly the only author, in the manuscript file another author name was erroneously listed. I removed it.
