

Reviewer's report

Title: Computer-based teaching is as good as face-to-face lecture-based teaching of evidence based medicine: A randomised controlled trial.

Version: 2 Date: 10 October 2006

Reviewer: Reinhard Friedl

Reviewer's report:

General

The authors have responded to the reviewers comments sufficiently, this work is worth being reported.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
