

Reviewer's report

Title: The course of mental health after miscarriage and induced abortion: a five-year follow-up study.

Version: 2 Date: 7 September 2005

Reviewer: David Reardon

Reviewer's report:

I appreciate the authors' efforts to accommodate the recommendations of myself and the other reviewer to the degree possible given the data limitations.

As indicated before, I believe this paper is a contribution to the literature and is in good shape for publication.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
