Dear Editor,

Enclosed please find a revised version of our paper entitled "*Coronary Age as a Risk Factor in the Modified Framingham Risk Score*" by Enrique F. Schisterman and Brian W. Whitcomb. We have tried to address the suggestions made by the reviewer, and have included a point-by-point response to his comments.

We thank the reviewer for his insightful comments, and feel that these suggestions have very much improved our paper.

We hope that the paper is now acceptable for publication.

Sincerely,

A handwritten signature in black ink, appearing to read "Enrique F. Schisterman", enclosed in a simple oval border.

Enrique F. Schisterman

A handwritten signature in black ink, appearing to read "Brian W. Whitcomb", written in a cursive style.
