Brett D Nelson, William G Fernandez, Sandro Galea, Sarah Sisco, Kerry Dierberg, Gordana Subaric Gorgieva, Arijit K Nandi, Jennifer Ahern, Mihajlo Mitrovic, Michael VanRooyen, David Vlahov: **War-related psychological sequelae among emergency department patients in the former Republic of Yugoslavia**, resubmitted to BMC Medicine

Dear Dr Gadd,

We are submitting the formatting revisions as requested for publication in BMC Medicine. Below are the point-by-point changes made:

*Title page:*

Qualifications (PhD, MD, etc, have been deleted)

We have removed all unnecessary capitalization of Section Headings.

*Abstract Section and Main body of text:*

We have removed all unnecessary capitalization of Section Headings.

We have changed the Heading “Conclusion” to “Conclusions”

We have made the appropriate formatting changes to the references as requested.

*Tables:*

We have made the appropriate formatting changes to the tables as requested.

-----

Thank you very much for the opportunity to work with you on this paper.

Regards,

--Bill Fernandez, MD, MPH
