Reviewer's report

Title: Changes in Claudin tight junction protein distribution patterns in the progression of mouse skin tumorigenesis

Version: 3 Date: 11 September 2007

Reviewer: Karen Swisshelm

Reviewer's report:

General

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

None; the authors have responded to all suggestions and questions.

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

N/A

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have not competing interests.
