

## **Reviewer's report**

**Title:** Acute pancreatitis following medical abortion: Case report

**Version:** 2 **Date:** 25 March 2004

**Reviewer:** Hobart Harris

### **Reviewer's report:**

#### General

The authors have substantially improved the manuscript as it is now a more concise and detailed report of a very interesting case of necrotizing pancreatitis following a medical abortion.

-----  
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----  
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----  
Discretionary Revisions (which the author can choose to ignore)

**What next?:** Accept without revision

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No

**Declaration of competing interests:**

None.
