Erratum

In Table 2 of the evaluation of fosamprenavir which appeared in Corbett AM, Kashuba ADM: Fosamprenavir Vertex Pharmaceuticals/GlaxoSmithKline. Current Opinion in Investigational Drugs (2002) 3(3):384-390, the labels \( C_{\text{max}} \) (mg/ml) and \( C_{\min,12h} \) (mg/ml) were transposed. The table should have appeared thus:

**Table 2. Relative APV pharmacokinetic parameter ratios for subjects enrolled in APV20001.**
