Reviewer's report

Title: Knowledge, attitudes, and perceptions of Autism Spectrum Disorder in a stratified sampling of preschool teachers in China

Version: 4 Date: 3 October 2015

Reviewer: Tianmei Si

Reviewer's report:

Minor Essential Revision:
One of the minor concern is the definition of school-level. Because of the urbanization and migration in China, the definition of school-level like this manuscript has some limitation. The author should add the limitation in the discussion.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

No
