Author's response to reviews:

I am re-submitting herewith the manuscript entitled-“Spatial Distribution and Characteristics of Injecting Drug Users (IDU) in Five Northeastern States of India”.. As per your suggestion, we have sought help from www.biomedes.co.uk to improve our English style. They have thoroughly edited the manuscript to improve the English. We believe that this time the English of the manuscript will be up to the mark as expected by you.

If, you have any further suggestion please let us know so that we can do the needful.

Sincerely yours’

G K Medhi
