Version: 5 Date: 16 January 2016

Author's response to reviews:

L171 ‘One limitation’ would be more readable if described as ‘One of some limitations’.

>> As suggested, we have changed ‘One limitation’ as ‘One of some limitations’

I suggest you remove the word "desirable" from your abstract as it is not for the authors to judge how desirable your work is.

>> As suggested, we have now removed the word.
