Dear Editor of BMC Gastroenterology

Here, I send you our manuscript entitled “Helicobacter pylori infection is not associated with fatty liver disease including non-alcoholic fatty liver disease: a large-scale cross-sectional study in Japan” again.

We greatly appreciate your favorable reply to our former manuscript.

In this new manuscript, we add “a list of abbreviations” and “acknowledgements” according to your instructions. Please do not hesitate to contact me when you require anything further.

I am looking forward to your favorable reply, thanking in advance.

Yours sincerely,

Nobutake Yamamichi, M.D., Ph.D.
