Dear Editor,

Re: Correspondence on “Chronic kidney disease of uncertain aetiology; prevalence and causative factors in a developing country” by Jayatilake et al.

Thanks for your kind comments on initial submission.

We have made the following changes with this submission.

# Title was adjusted. “correspondence” inserted instead of “letter to editor”.

# Abstract was added.

# Reference 4, 6 and 7 were newly added.

# Mistakes in the reference style were corrected.

We hope you will do the justice to this correspondence.
Thanking You,
