Reviewer’s report

Title: Epidemiology of Periodontal diseases - Position Paper

Version: 1 Date: 11 January 2010

Reviewer: Harold Sgan-Cohen

Reviewer’s report:

This position paper has been very diligently and professionally conceived and written. The authors have invested considerable efforts in exploring and describing all the pertinent issues involved in the subject. The article constitutes an important statement that should be of significant help and interest to all those professionals involved in dental public health, dental epidemiology and periodontology.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
